members of the audience, the high school production was very good. Despite a few first day jitters, it was an excellent performance. Many of the kids learned to do tap dance and the tapping was really good.

### Lake Kearsarge and the Loons

According to Sue Esposito, loon scout, the adult male loon has been

gone at least a week. On Tuesday, Nov. 7, Esposito spotted both the adult female and the adolescent. She said the lake was quite busy on Tuesday. There were a pair of ducks, a pair of Mergansers sunning themselves on the rock. A young eagle dove down towards the loons which caused them to make all kinds of frantic loon calls. The eagle then flew
